TRANSMITTAL NO. 129**LOCAL EXCHANGE SERVICE****SECTION 3 – SERVICE DESCRIPTIONS (continued)****3.53 Unbundled PRI**

Unbundled PRI is a business offering for Customers that bill at least \$25,000 monthly with DeltaCom. This product provides Customers with local and long distance via trunks on a single T1 at a single location. Unbundled PRI is a voice-only, facility-based T1 product that offers 23 B-channels and 1 D-channel. Unbundled PRI is available to the following eligible Customer groups who bill the minimum monthly requirement: 1) new Customers; 2) existing Customers with expired contracts; and 3) Customers who want to upgrade to a T1 product.

Hunting is the only feature included and will be configured as defined by the Customer. No other CLASS features are available with Unbundled PRI.

DID channels are available for an incremental charge per circuit. DID channels require DID number blocks which are priced in blocks of 20 numbers.

Unbundled PRI will be provisioned with NI-1 service; however NI-2 is also available at an additional charge. NI-2 Service features Calling Name Delivery and Two B Channel Transfer. Calling Name Delivery provides the Customer with the ability to view the caller's name and number. The Two B Channel Transfer allows a more efficient utilization of the PRI trunks by allowing only one channel to be utilized during call forwarding/transfer, instead of two.

Each Unbundled PRI local channel includes the basic local calling plan. LATA-wide local calling is available as an option, however, DeltaCom must be selected as the Customer's presubscribed intraLATA carrier on all channels.

Subscription to the Company's interLATA long distance service is not required with Unbundled PRI, but the Customer may subscribe to any of the Company's applicable long distance products. If the Customer has multiple locations consistency must be maintained between locations that are billed on the same account. For instance, if the Customer has Converged Minutes at their main site, they must have Converged Minutes at all locations with the Company's long distance service.
